

SOUTHERN CAVALIERS CRICKET CLUB NEWSLETTER—PRE SEASON 2018

Triannual Newsletter

ISSUE 1

2.24.2018

Foreword

Dear club members, friends, family and supporters. A chilly winter welcome to the first SCCC newsletter. SCCC will be publishing 3 newsletters each year, and we encourage everyone to send in news topics and photos to the committee as the season progresses.

SCCC once again had a very successful 2017 on and off the field. We made the play-offs again for the 3rd year in a row and capped off our season with a wonderful tour of Philadelphia - many thanks to our kind hosts at Merion CC for a memorable tour.

I am strongly encouraged by the club's continued exciting prospects for 2018, with a number of exciting new members and a new and very engaged management committee. The management committee will be building on the planning and communication of the last few seasons and expect to see both continue to improve over the season. In addition, we intend to have more social events than ever before, with family and friends actively encouraged to attend as often as possible. Of course, we intend to maintain the same high standards on the field, and we hope that the cricket this year will be enjoyable for all. Thank you in advance for all your support. I look forward to seeing you all soon at nets, at a social and on the field soon.

Warm regards,

Sebastian Walker (SCCC President)

This will hopefully set the tone for future social events. Below are the winners of the club trophies, and congratulations to those that won awards.

Warren Bonorchis was once again very generous in hosting the club for the 4th AGM of the club. It was excellent to see the return of some old members, plus plenty of new faces. At the meeting, it was decided that the club will renew its membership with the WMCB. The following individuals were elected to management positions:

Bevan Main—40 Over Captain and Social Secretary
James Watt—T20 Captain
Danial Salman—Club Secretary
Callum McKern—Club Treasurer and Vice Captain
Kushal Reddy— Vice Captain

Tour to Philadelphia — 14th/15th October 2017

The Southern Cavaliers went to play cricket at two of the oldest cricket clubs in the United States in October: Merion Cricket club and the Philadelphia Cricket Club. Both venues were fantastic, and the team had a thoroughly enjoyable experience. The tour will hopefully be repeated in 2018.
